Mandatory Terms

1. All students from IX to XII are eligible to apply for the scholarship.
2. The supporting documents must be submitted along with the Admission Form to the Principal before the admission is granted (for new admissions seeking scholarship). Existing students will be awarded scholarship only after the results are declared. The Fees collected will be adjusted in other dues/Fee charges through the year.
3. A student can avail only one type of scholarship in an academic year.
4. Scholarship awarded will be applicable for one academic year only.
5. The scholarship is in the form of Tuition Fee waiver only; all other fee charges of the school shall be borne by the parent.
6. Any student who qualifies for the scholarship will not be permitted to claim any other form of fee concession applicable during the academic year.
7. A student can avail scholarship only if there is no outstanding amount for fee.

The decision of awarding the scholarship rests fully with the Management. Further, the Management may, at their discretion, limit the scholarship amount to less than the specified amount for the justifiable reasons as documented in writing. The scholarship cannot be claimed as a matter of right by any student.
