Turning Pages, Building Futures: Reading Programme 2026–27

Dear Parents,

At MRG School, we firmly believe that **reading is the gateway to learning, imagination and lifelong success**. With this vision, we are delighted to launch our **Reading Programme 2026–27**, a comprehensive literacy initiative for students from **Grade I to Grade V**.

The programme has been thoughtfully designed to nurture not only fluent readers but also **curious thinkers, confident communicators and reflective learners**. Through a structured progression of age-appropriate reading experiences, students will develop foundational literacy skills, expand their vocabulary, strengthen comprehension and learn to think critically by questioning, connecting, predicting and reflecting on what they read.

As an extension of this initiative, we are introducing the **Class Library Initiative**. Every classroom will have a shared collection of carefully selected age-appropriate books that will be **issued to students on a rotational basis**, ensuring that every child enjoys a wide variety of reading experiences throughout the academic session while also encouraging peer learning and responsible book handling.

We invite every parent to partner with us by contributing **one age-appropriate storybook of their choice** to enrich the class library.

Guidelines for Book Submission

- The book should be **age-appropriate** and in **good condition**.
- Kindly affix a **label inside the front cover** mentioning the **Child's Name and Roll Number**.
- The books will remain part of the **Class Library** for the academic session and will be circulated among classmates on a rotational basis.
- The book must be sent to the class teacher by **15th July, 2026**.

Recommended Authors for Reading

Classes	Suggested Titles
Grades I – II	Beverly Cleary, Ron Roy, Cynthia Rylant, E.B. White, Tedd Arnold, Dr. Seuss, Kate DiCamillo, Sudha Murty, Rukmini Banerji, Meenakshi Bharadwaj
Grades III – V	Patricia Polacco, Andrew Clements, Ruskin Bond, Sarah Weeks and Gita Varadarajan, Hiba Noor Khan, Sudha Murty, Anita Nair, Jerry Pinto

Together, let us create a vibrant reading culture where books become companions, curiosity flourishes and every child discovers the joy of reading. We look forward to your enthusiastic support and cooperation in making this initiative a meaningful success.

Warm Regards
Team MRG
