SESSION 2024-25

VOLUME III

The Editorial Note

Dear Readers,

As another academic year draws to a close, we celebrate the spirit of creativity, innovation, and passion that has brought this edition of our school magazine to life. Each page reflects the vibrancy of our diverse community, capturing stories, artistry and ideas that transcend limits. From quiet musings to bold expressions, every contribution sparks inspiration. Together, we have explored new horizons, redefined boundaries, and embraced the extraordinary. As you journey through these pages, may you rediscover the limitless potential within us all—to create, to inspire, and to dream.

Message from The Director's Desk

"Success is not merely a destination but a journey of learning, growing and inspiring others along the way."

Dear MRG School Community,

With profound pride and heartfelt gratitude, we are delighted to present Volume III of the MRG School Chronicle for the academic session 2024-25. This edition exemplifies the collective achievements of our school community, capturing the remarkable milestones of our students, the inspiring narratives of our alumni, and the enduring legacy they continue to shape with their guidance and motivation.

This academic year was marked by moments of creativity, celebration and collaboration. Our Carnival and Children's Day Celebrations brought a wave of energy and imagination to our campus, showcasing the dynamism and boundless potential of our students. Likewise, our Annual Inter-School Fest—Confluence, was a brilliant amalgamation of ideas, talent and innovation, exemplifying the essence of collaboration and shared excellence among schools.

A special highlight of this year was Gratitude Week, which underscored our commitment to fostering empathy and global citizenship. The week was adorned with impactful CSR initiatives, culminating in a heartfelt donation to the National Blind School. This act of compassion exemplified our unwavering dedication to social responsibility and the values that form the core of MRG.

As you immerse yourself in the pages of this chronicle, you will witness the essence of MRG—our unwavering commitment to academic excellence, inclusivity and holistic development. These values continue to illuminate our path as we journey together toward a future enriched with growth, learning and unity.

Warm Regards,
Mr. Rajjath Goel
Director

Message from The Principal's Podium

Dear Readers,

As we bid adieu to the remarkable journey of the 2024-25 session, my heart brims with pride and gratitude for the multitude of unforgettable moments we have collectively experienced. From the vibrant Carnival and Children's Day celebrations to the profound acts of compassion we witnessed during Gratitude Week, every occasion has epitomized the true spirit of our school community.

This year, MRG School has thrived with unparalleled strength and unity, fueled by the unwavering support of our students, staff and parents. Together, we have overcome challenges and celebrated triumphs, weaving a symphony of solidarity and success that will forever define us. We take immense pride in the resounding success of Confluence- Our Annual Inter-School Fest, which not only highlighted exceptional talent but also marked the successful placements of our students and the continued achievements of our alumni—milestones that underscore the excellence that defines MRG.

Our celebration of Gratitude Week, with its heartwarming inter and intra-class activities, gave us the opportunity to extend compassion far and wide, culminating in a generous donation to the National Blind School—an embodiment of the kindness that resides at the heart of our values.

As we reflect on the joy, lessons and bonds we have forged, let us carry forward the torch of learning and compassion, igniting the path to even greater accomplishments. Looking forward, we remain committed to crafting programs that adapt to the evolving needs of our learners, providing an enriching, holistic education through innovative curriculum updates and a broadened spectrum of extracurricular activities. Here's to the enduring strength of our community and the exciting adventures that await!

Warm Regards,
Ms. Anshu Mital
Principal

With immense pride and gratitude, I address you through the pages of this school magazine. My time as Head Boy has been a profound journey of growth, learning, and leadership. The experiences and challenges I have faced here have not only shaped my character but also instilled in me a deeper understanding of responsibility and teamwork. This school has been a place where I learned not just academics, but also the true meaning of discipline, integrity, and compassion. I am deeply thankful to our teachers for their continuous support and guidance, and to my peers for their encouragement and collaboration. As we continue to strive for excellence, let us remember that true success is defined not just by our achievements, but by our commitment to the values that this institution has taught us. May this magazine inspire us to dream bigger and contribute meaningfully to our community and beyond.

Abhay Kumar
(Head Boy)

It is with deep gratitude and pride that I contribute to this edition of our beloved school magazine. Serving as the Head Girl has been a transformative experience, one that has enriched my personal growth and taught me invaluable lessons in leadership, empathy and resilience. This institution has been more than just a place of learning—it has been a nurturing environment that has allowed me to shape my own journey while being part of something larger than myself. The opportunities I've had here, whether in academics, extracurriculars or leadership, have been instrumental in shaping the person I am today. I am incredibly thankful to our dedicated teachers for their constant guidance, and to my fellow students for their unwavering support. As I move forward, I carry with me the values instilled in me here, and I am confident that these will continue to guide my path. I hope this magazine reflects the spirit of unity, growth and excellence that defines our school, inspiring us all to reach new heights.

Saanjh Seth
(Head Girl)

Celebrating Excellence in Education

SCHOOL ACCOMPLISHMENTS

MRG School Shines in Times School Survey 2024

We are elated to share the remarkable accomplishment of MRG School securing the 7th position in the esteemed Times School Survey 2024. This prestigious recognition underscores our steadfast dedication to academic brilliance, holistic growth and pioneering educational practices. It stands as a proud testament to the collective efforts of our students, faculty and parents, driving us to reach greater heights!

Leading the Way: MRG School's Green Commitment

We are delighted to share that MRG School has been recognized by the Green School Programme (GSP) for its exemplary environmental practices. The school has proudly earned a GREEN rating in the GSP Audit for 2024-25, placing it among the top 5% of participating schools this year. This prestigious acknowledgment reflects the school's unwavering commitment to sustainability across all key domains—Air, Energy, Food, Land, Water, and Waste—demonstrating its dedication to a greener, more sustainable future.

MRG School Shines Among India's Best!

We are proud to announce that MRG School has been ranked among the Top 150 Schools in India and the Top 50 Schools in Delhi by Education World! This esteemed recognition reflects our relentless pursuit of academic brilliance, holistic growth and educational innovation. With passion as our compass and excellence as our goal, MRG School continues to shape bright futures and set new benchmarks in education!

PRINCIPAL AWARDS

Inspiring Education Hero Award

MRG School takes immense pride in celebrating the remarkable achievement of our visionary Principal, Ms. Anshu Mital, who has been bestowed with the prestigious Inspiring Education Hero Award. Her exemplary dedication to nurturing educational excellence and shaping young minds stands as a beacon of inspiration for all.

Lifetime Achievement Award

Ms. Anshu Mital, our esteemed Principal, has been honored with the prestigious Lifetime Achievement Award at the FAP National Awards 2024. This remarkable recognition celebrates her unwavering dedication, visionary leadership and transformative contributions to education. Her tireless efforts continue to inspire excellence, shaping countless young minds and setting new benchmarks in the field of education.

TEACHERS AWARDS

Recognition for Excellence in Physical Education

We are delighted to mention that Mr. Akhil Goel has been honored with the esteemed title of Best Physical Education Teacher. This prestigious accolade was conferred by the Action Committee (Unaided Recognized Private Schools) during a ceremony graced by the esteemed presence of Shri Anurag Thakur, Member of Parliament, as the Chief Guest. His unwavering dedication and remarkable contributions to the field of physical education serve as an inspiration to all.

Pioneering Educators in the Innovative Category

MRG School takes immense pride in celebrating the exceptional achievements of Ms. Juhi Dabra and Ms. Pooja Goel, who have been honored with the Best Teacher Award in the Innovative Category at the FAP Awards 2024. Their dedication to redefining education serves as an inspiration to all. We are proud to have such visionary educators shaping the future!

National Radhakrishnan Teachers' Award

Ms. Shivani Khanna, an epitome of inspiration and devotion, has been conferred with the esteemed National Radhakrishnan Teachers' Award. This recognition highlights her relentless dedication to nurturing young intellects, promoting holistic learning and embodying the essence of exemplary teaching. Her accomplishment is a moment of immense pride for our institution, motivating everyone to pursue unparalleled excellence in education.

A Proud Presenter at the 13th National Conference on Mathematics Education

MRG School takes immense pride in mentioning that Ms. Ayushi Jain showcased her research paper, "Technology Enhanced Mathematics Learning," at the eminent NCERT 13th National Conference on Mathematics Education. Her thought-provoking presentation stimulated vibrant discussions among distinguished academicians and experts, underscoring the pivotal role of technology in revolutionizing mathematics education.

STUDENTS ACHIEVEMENTS

Triumph in Zonal Cricket Championship

We are thrilled to mention that our MRG Cricket team has emerged victorious, clinching the first position in the U-19 Zonal Championship organized by the Directorate of Education. This remarkable achievement reflects the team's dedication, hard work and exceptional talent, making us incredibly proud of their outstanding performance.

Bronze Glory in Roll Ball

It is with immense pride and joy that we congratulate Ashit Bansal of Grade VI for his remarkable feat in securing the bronze medal at the Roll Ball Delhi State Championship, held at Delhi Heritage Public School. His unwavering dedication, relentless effort, and exemplary sportsmanship have brought honor to our institution. Ashit's triumph serves as a beacon of inspiration, urging us all to excel in the realm of sports with passion and perseverance.

Championing Taekwondo Excellence

We are elated to commemorate the extraordinary accomplishment of Livanshi Singh from Grade IX, who secured the gold medal at the Delhi State School Games (DOE) Taekwondo Championship. Her remarkable skill and unwavering determination have not only earned her this prestigious honor but also a well-deserved qualification at the SGFI Nationals in Madhya Pradesh. Livanshi's triumph is a powerful source of inspiration for all.

Under-17 Cricket Stars Shine Bright

It is with great pride and delight that we acknowledge the exceptional achievement of Uday Chawla and Manmay Mehta of Grade XI, who have secured a well-deserved place in the Delhi State School Games (DOE) for Cricket Under-17 Boys. Their tireless dedication, remarkable talent, and determination have earned them this distinguished recognition. Uday and Manmay's success inspires us all to strive for excellence with unyielding passion.

A Spectacular Shooting Victory

MRG School is immensely proud of Charvi Mehta of Grade XI for her stellar achievement at the 26th All India Kumar Surendra Singh Inter School Championship in Nalanda, Bihar. Showcasing exceptional skill in the 177 Air Pistol event, Charvi clinched the gold medal, securing the top rank with her team. Her dedication and precision continue to inspire us all!

Embracing Dreams, Crafting Stories

It is with profound pride and admiration that we celebrate the exceptional achievement of Riddhi Garg from Grade II, who has authored her debut book, *A Tale of Love, Loss, and Enduring Bond*. Her boundless creativity, vision and passion for storytelling have culminated in this extraordinary milestone. Riddhi's success serves as a powerful inspiration for us all to pursue our dreams and embrace our unique talent.

Celebrating a Literary Milestone

We are delighted to announce that Sanvi Kapoor of Grade IX has achieved a remarkable feat by publishing her book, *Eclipse of Emotions*, with Book Leaf Publishing. This outstanding accomplishment showcases her boundless creativity and dedication. Heartiest congratulations to Sanvi on this inspiring milestone—may her pen continue to craft wonders and illuminate countless hearts!

The Kaleidoscope of Knowledge

Lego Alphabet Match-up

Our Nursery students enjoyed the Lego Alphabet Match-up activity, skillfully pairing uppercase and lowercase letters. This interactive, hands-on exercise not only enhanced their letter recognition but also made learning a delightful and engaging experience.

Peg the Letters

Our Nursery learners had an amazing time with the 'Peg the Letters' activity! This fun-filled experience blended learning with play, sparking creativity, curiosity, and hands-on exploration. By combining skill-building with enjoyment, the activity ensured our little ones embraced every moment of their educational journey with joy and enthusiasm.

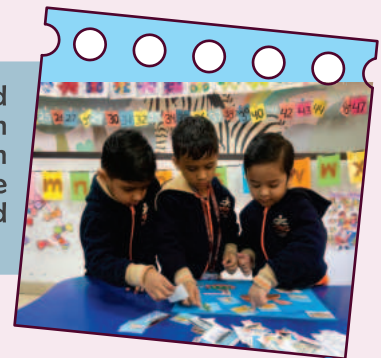

From Tracks to Roads

Our Nursery learners embarked on an exciting journey into land transportation by crafting a dynamic collage of cars, buses, trains and bicycles. This interactive activity enriched their understanding of transport's role in daily life while igniting creativity and curiosity. It was a delightful blend of fun and learning, making exploration both engaging and meaningful!

Exploring the Blue

Our young explorers embarked on a voyage of creativity and discovery as they navigated the world of water transport through an engaging collage-making activity. The experience introduced them to diverse maritime vessels, blending learning with imagination. The activity sparked curiosity and joy, leaving our little learners enthralled by the fascinating wonders of the sea!

Celebrating Unity in Diversity

Our young explorers delved into a kaleidoscope of cultures through an engaging collage-making activity. They discovered the essence of religious and national festivals, curating visuals that reflected their significance and traditions. This artistic journey enriched their understanding of unity in diversity, fostering a deep appreciation for heritage.

The Jungle Adventure!

With enthusiasm and creativity, our young learners animated the Animal Kingdom through an engaging role-play activity. From roaring lions to playful monkeys and gentle cows, they mimicked sounds and movements, while discovering the significance of animals in our ecosystem. This immersive experience served as a delightful step toward cultivating early environmental awareness.

Aquatic Adventures

Our nursery learners engaged in an enriching hands-on exploration through the Float and Sink experiment. They carefully observed the behavior of various objects in water, discovering that denser items sink, while lighter ones float. This interactive session fostered critical thinking, sharpened observation skills, transforming science into an enjoyable adventure.

The Secret of Rising Water

Our young learners thoroughly enjoyed exploring the concept of air through a simple candle and water experiment. They were fascinated as the water rose into the glass while the candle burned. This interactive activity sparked their curiosity and provided an engaging lesson on air pressure in an enjoyable and accessible manner.

Bold in Black

Our tiny tots celebrated Black Colour Day with immense enthusiasm and joy. Our nursery grade students dressed in black and proudly carried black-coloured objects, creating a delightful and unified atmosphere. The day was filled with excitement and learning, as our little learners engaged in various activities that showcased the magic of this elegant colour.

Exploring Shapes in Nature

With great gusto, our young learners explored a variety of shapes, printing them in vibrant hues. This engaging activity stimulated their creativity, enhanced their imagination and fostered shape recognition. It proved to be a delightful experience that seamlessly blended fun with the development of artistic expression and mathematical reasoning.

From Darkness to Light

In the vibrant spirit of Dussehra, our nursery learners celebrated with great enthusiasm, embracing the timeless victory of good over evil. The essence of the festival was thoughtfully woven into their activities, offering meaningful opportunities to impart valuable life lessons. It was a joyful and enriching experience, where our little ones not only had fun but also learned important values that will stay with them.

Towel Tales

Our young explorers embarked on a captivating journey into the world of science through the Magic Paper Towel experiment. This vibrant activity allowed them to observe the movement of water through paper. With eager minds and radiant smiles, they witnessed science unfold in the most enjoyable and enlightening way.

Postcards, Paints and Precious Moments!

Our little learners in Nursery celebrated World Post Day with creativity and joy! They illustrated their favourite things and wrote heartfelt messages for their loved ones. This fun-filled activity highlighted the magic of letter writing and the important role of the postal service in connecting and strengthening our communities.

Word Craft with Playdough

Our young learners demonstrated their creativity while reinforcing their sight word skills. Through engaging, tactile learning experiences, they enjoyed molding letters and constructing words. This activity seamlessly combined enjoyment and education, transforming the learning process into an enriching and stimulating journey.

O-mazing Word Builders

Our young learners enthusiastically engaged in the Roll, Build and Find activity, actively constructing and discovering 'O' sound words through an enjoyable and interactive method. This hands-on learning experience not only made the process captivating but also nurtured creativity and bolstered confidence, transforming word-building into an exciting educational adventure.

Tasty Choices, Happy Hearts

On World Food Day, our young learners took the lead in promoting awareness about the significance of making healthy food choices. They designed a vibrant, nutritious plate, encouraging their peers to recognize that the foods we consume impact not only our physical health but also our overall happiness and well-being.

Marine Mimic

Our Kindergarten learners enthusiastically engaged in the Marine Mimic activity, fostering both creativity and cognitive development. Each child donned costumes and shared fascinating facts about aquatic creatures, imitating their movements and sounds. The sight of young minds expressing themselves as marine animals on stage was captivating.

Tiny Wings, Cozy Homes

Our kindergarteners thoroughly enjoyed crafting sweet homes for our avian companions! With sheets, grass, and their limitless imagination, they designed snug nests, each housing a tiny, fluffy bird. This engaging activity served as an ideal introduction to the avian life cycle, while nurturing their appreciation for nature and wildlife.

The Science of Sweetness

Our kindergarteners had an exciting hands-on learning experience as they explored why apples turn brown. Through simple experiments, they discovered the science behind oxidation and learned fascinating tricks to keep apples fresh. Engaging, interactive, and full of discovery—science came alive in the most delightful way!

शब्द खोज

हमारे के.जी. विद्यार्थियों ने उत्साहपूर्वक शब्द खोज गतिविधि में भाग लिया, जहाँ उन्होंने अलग-अलग अक्षरों से दो अक्षरों के शब्द बनाकर अपनी रचनात्मकता दिखाई। बच्चों ने कूदते हुए सही अक्षर खोजे और शब्द बनाए। इस रोचक गतिविधि से उनकी रचनात्मकता, हाथ-आँख समन्वय और मोटर कौशल विकसित हुए।

Kindness Bingo

Our Kindergarten stars embarked on a heartwarming journey of kindness! Through Kindness Bingo, they discovered the joy of small, thoughtful gestures, marking each act with excitement while nurturing empathy, humility and a spirit of helpfulness. Every step brought them closer to making kindness a beautiful habit!

International Festival Fiesta

Our little explorers embarked on an exciting journey at the International Festival Fiesta, celebrating the beauty of global traditions. From the charm of the Cherry Blossom Festivals to the joy of Easter, the spookiness of Halloween, and the vibrancy of Chinese New Year, each moment was a delightful learning experience. This celebration of diversity and unity made learning truly unforgettable!

Voice of Inspiration

The learners of Grade I participated in an engaging and enriching activity titled Voice of Inspiration. They confidently spoke a few lines about famous female personalities and their achievements. This activity not only celebrated the accomplishments of inspiring women but also fostered creativity and self-expression among the students.

Dawn to Dusk

As part of learning journey on the topic of Earth, our Grade I learners created beautiful day and night scenes, showcasing their understanding of how the Earth's movement influences the transition between day and night. Through this activity, they explored the wonders of the Sun's role in shaping our daily experiences on the planet.

सर्वनाम वृक्ष

कक्षा १ के छात्रों को सर्वनाम की पहचान एक आकर्षक वृक्ष गतिविधि के माध्यम से करवाई गई। इस रचनात्मक अभ्यास में बच्चों ने विभिन्न सर्वनामों को पहचाना और सीखा। गतिविधि ने न केवल उनकी समझ को मजबूत किया बल्कि सीखने को आनंददायक और रोचक भी बना दिया।

Know Your Pattern

Our curious Grade I learners unleashed their creativity by crafting vibrant buntings with unique, self-designed patterns. This hands-on activity not only deepened their understanding of patterns but also made learning more engaging and enjoyable. With enthusiasm and joy, they explored the beauty of patterns in a fun-filled way!

Subtraction Flower

Our little curious learners explored their creativity by crafting vibrant, colorful flowers, while discovering subtraction in a fun and unique way. Through this engaging hands-on experience, they not only enjoyed the process but also grasped the concept with ease and excitement!

RoboQuest: From Concepts to Creation

In an exciting activity titled RoboQuest, the imaginative students of Grade II turned their creativity into action by designing unique robots of their choice. They added a personal touch by assigning special qualities to their creations and describing them using adjectives. This engaging activity blended innovation with learning, making it a truly memorable experience for everyone involved.

Pair-o-Logic

Our Grade II students enthusiastically participated in Pair-o-Logic, a fun and educational activity that combined concentration with learning. Using tables, they matched digits with focus and precision. This engaging exercise was a fantastic way to enhance their cognitive skills while making learning enjoyable.

Pyramid of Nutrition

Our Grade II students explored the different levels of the food pyramid in the Pyramid of Nutrition activity. They creatively crafted their own food pyramids on A3 sheets, pasting pictures to showcase the three distinct levels. The activity was a fun and engaging way for students to learn about healthy eating while expressing their creativity.

Silly or Sensible: A Creative Sorting Challenge

The enthusiastic learners of Grade II engaged in a fun and thought-provoking activity where they sorted materials into silly and sensible categories. Given a variety of materials, the students reflected on whether they could be used sensibly to create an object or if they were better suited for silly purposes. The activity encouraged active participation, fostering reflection and confidence in their decision-making process.

कविता वाचन गतिविधि

कक्षा ३ के छात्रों से देशभक्ति की भावना को कविताओं के माध्यम से व्यक्त किया। उनकी आवाज़ में देश प्रेम की गुंज सुनाई दी और उनके चेहरों पर राष्ट्रीय गौरव की झलक दिखी। इस गतिविधि ने बच्चों को अपने देश के प्रति जिम्मेदारी और सम्मान का एहसास कराया।

Paws, Wings and Fins

Our Grade III students engaged in a lively, hands-on activity, sorting animals into categories using picture cutouts. With creativity and enthusiasm, they organized their groups, making the learning experience both interactive and enjoyable while deepening their understanding of animal classification.

Matter Moves

Grade IV students transformed into young scientists during an exciting science activity! Using tiny thermocol balls, they creatively demonstrated the arrangement of particles in solids, liquids, and gases. Their vibrant displays on sheets beautifully captured their understanding, making learning both visual and engaging!

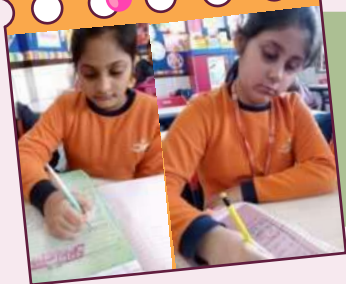

विलोम शब्दों का खेल

कक्षा ५ के विद्यार्थियों ने एक अनोखा खेल बनाया और खेला - 'फ़ोल्ड कार्ड'! इस खेल में बच्चों ने विलोम शब्दों की जोड़ियाँ बनाई और उनके अर्थ को समझा। उन्होंने न केवल शब्दों का अर्थ समझा, बल्कि उन्हें वाक्यों में प्रयोग करना भी सीखा। यह गतिविधि मजेदार और शिक्षाप्रद दोनों थी, जिसने बच्चों की शब्दावली को बढ़ाया और उन्हें भाषा के प्रति उत्साहित किया।

मेरी डायरी मेरे अरमान

डायरी लेखन गतिविधि में छात्रों ने अपनी डायरी में अपने सुनहरे सपनों, अपनी पसंदीदा वस्तुओं और अपने जीवन के यादगार पलों को लिखा। उन्होंने अपने जीवन के लक्ष्यों और आकांक्षाओं को भी व्यक्त किया। इस गतिविधि से छात्रों की कल्पना शक्ति का विकास हुआ। वह अपने आप को बेहतर ढंग से समझने और अपने लक्ष्यों को प्राप्त करने के लिए प्रेरित हुए।

Newton's Wonder Zone

To deepen the understanding of different types of forces, Grade V students left the classroom and headed to the school playground for real-life examples. Using activities like tug of war and simple games involving push and pull, they gained clearer insights into the concepts of force.

Brainwave Comics

Our Grade V students took on an exciting challenge to create comics using a range of ideas. They applied their knowledge of the brain's power and functions to craft a creative brain comic. The activity was a big success, and the students thoroughly enjoyed it!

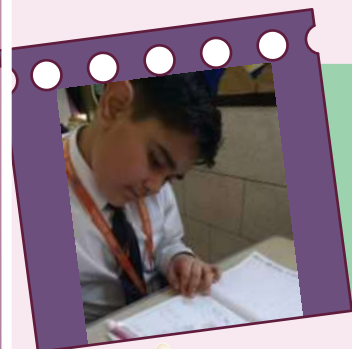

Bringing Stories to Life

The learners of Grade VI immersed themselves in a captivating Character Monologue activity, embodying their favorite story and movie characters with depth and expression. Through powerful performances, they explored intricate emotions and perspectives, refining their creativity, eloquence and theatrical flair. This dynamic experience nurtured confidence and a profound appreciation for story telling and literature.

विज्ञापन लेखन

कक्षा ६ के छात्रों ने विज्ञापन गतिविधि में भाग लिया और विभिन्न उत्पादों और सेवाओं के लिए विज्ञापन बनाए। उन्होंने रचनात्मक और मजेदार विज्ञापन बनाए, जिनमें उन्होंने उत्पादों के गुणों और लाभों को उजागर किया। यह गतिविधि बच्चों के लिए एक मजेदार और सीखने का अनुभव था, जिसने उन्हें विज्ञापन बनाने की कला और उत्पादों के बारे में जागरूक होने में मदद की।

साहित्यकारों की आत्मकथा

कक्षा ७ के विद्यार्थियों ने इस गतिविधि में हिंदी साहित्यकारों की आत्मकथाओं का वाचन किया। उन्होंने साहित्यकारों की जीवन यात्रा को उनकी आत्मकथाओं के माध्यम से जाना और उनके संघर्षों और उपलब्धियों को समझा। इस गतिविधि से छात्रों में अपने साहित्यकारों के लिए सम्मान का भाव उत्पन्न हुआ एवं उनके वाचन कौशल में वृद्धि हुई।

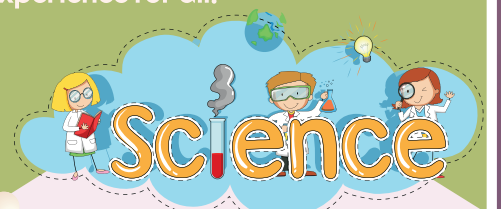

MATHS WEEK

In celebration of National Mathematics Day, MRG School hosted an exhilarating Math Week, transforming numbers, logic and problem-solving into an engaging adventure. Dynamic activities like Scavenger Hunts, Math Relays, Math Hop and Quiz Challenges encouraged students to explore mathematical concepts beyond textbooks. The interactive sessions ignited curiosity, critical thinking and teamwork, making learning both enjoyable and impactful. With enthusiastic participation, students discovered that mathematics is not just about numbers but a fascinating and creative pursuit. The week concluded as a resounding success, inspiring young minds to embrace the elegance and excitement of mathematics.

SCIENCE WEEK

MRG School proudly observed World Science Day with an inspiring Science Week in November, themed 'Global Science for Global Well being'. The event was a vibrant exploration of scientific ingenuity, featuring captivating activities such as the Mini Scientist Ramp Walk, Science Toons, Model Mania and Illusionary Physics. These events highlighted the profound influence of science and technology in everyday life. With boundless enthusiasm, students engaged in hands-on learning, fostering curiosity, creativity and a spirit of innovation. The week-long celebration not only deepened scientific understanding but also ignited a passion for discovery, making it a truly memorable experience for all.

CONFLUENCE 2024

The Celebration of Confluence, an inter-school competition organized by MRG School, stood as a testament to the power of unity and creativity. With the theme Symphony of Solidarity, the event brought together over 400 students from more than 20 schools, each contributing their unique talents to a harmonious display of excellence. Participants engaged in a myriad of activities, showcasing their ingenuity, collaboration, and passion. The celebration concluded on a high note with the much-anticipated result declaration, where achievements were recognized and the efforts of all participants were warmly applauded. Confluence was more than a competition—it was a celebration of togetherness and the limitless potential of young minds.

The Gratitude Week Celebration marked the grand culmination of an inspiring week-long series of activities, reflecting the essence of compassion and altruism. Organized in honor of Chairman Sir's birthday, the celebration showcased the students' wholehearted participation in activities designed to instill values of empathy and social responsibility. Students engaged in meaningful endeavors such as visiting an old-age home, serving meals to the school's support staff, and conducting a "Knock-the-Door" activity, fostering connections within the community. The event also held a philanthropic dimension, as the proceeds were dedicated to the National Association for the Blind (NAB), Delhi, exemplifying the institution's commitment to making a tangible impact. The week resonated with the spirit of gratitude and selfless giving, leaving an indelible impression on every participant.

TOAST TO TOGETHERNESS

Dandiya Delight

The Dandiya Night celebration at MRG School was a vibrant and joyous event that brought together the entire school community in the festive spirit of Navratri. The evening was filled with colourful decorations, traditional music and the rhythmic beats of dandiya sticks. Students, parents, and teachers, dressed in traditional attire, added to the lively atmosphere. Everyone enthusiastically participated in the dandiya and garba dances, creating a mesmerizing swirl of colours and energy. Food stalls offering delicious traditional snacks added to the festive charm. The night concluded with prizes for various activities, leaving everyone with cherished memories of togetherness and celebration.

Tricks, Treats and Thrills

The Halloween celebration at MRG School was a delightful fusion of creativity and spooky fun. The school premises underwent a magical transformation, with classrooms and corridors adorned in eerie decorations, including cobwebs, skeletons and jack-o'-lanterns. As laughter and spooky tales echoed through the hallways, it became clear that the Halloween celebration not only provided a break from routine but had also created lasting memories of a day filled with laughter, creativity and a touch of delightful fright.

A Day of Fun, Laughter and Love!

Children's Day at MRG School was celebrated with great enthusiasm and joy, creating memorable experiences for students of all grades. Senior students were treated to an exciting movie outing, offering them a refreshing break and a chance to bond with their peers outside the classroom environment. Meanwhile, the junior students indulged in an adventurous education program within the school premises, filled with thrilling activities, games and teamwork challenges. The vibrant energy and cheerful smiles of the children were a testament to the day's success, as they immersed themselves in fun-filled experiences designed to celebrate their spirit and potential.

Blessing Ceremony

The Blessing Ceremony held at MRG School for Grades X and XII before the board examinations was a profoundly inspiring and poignant occasion. Designed to instill confidence and optimism in students, the event marked a crucial moment in their academic journey. It began with a heartfelt prayer, seeking divine blessings for success, focus and resilience. The symbolic rituals and heartfelt gestures fostered an atmosphere of unity and support, reaffirming the students' inner strength and the unwavering belief of their mentors. This moving ceremony not only honored their dedication but also fortified their determination to excel in their board exams.

Celebrating Little Achievers: Graduation Day

Kindergarten Graduation Day at MRG School was a delightful celebration marking the first big milestone in a child's educational journey. The little graduates, dressed in adorable caps and gowns, light up the stage with their radiant smiles and infectious enthusiasm. Parents and family members looked on with pride and teary eyes as each child received their diploma, symbolizing their transition to the next phase of their educational journey. The event concluded with words of encouragement and love from teachers, reminding the children of their limitless potential.

Bidding Adieu with Love

The farewell ceremony for Grade XII at MRG School was a heartfelt and grand occasion, celebrating the journey and achievements of the outgoing batch. Juniors expressed their admiration and best wishes through cultural performances, including songs, dances and creative skits. A special highlight was the presentation of titles and mementos, personalized to celebrate each student's unique qualities. The seniors, in turn, shared their gratitude through emotional speeches, expressing their love for their teachers and peers. The ceremony concluded with a pledge to uphold the values of MRG School, marking the beginning of a new chapter in their lives. It was a day filled with emotions, memories and aspirations for a bright future.

FACULTY

Training of Trainers

Principal Ms. Anshu Mital, along with Ms. Pooja Goel, Ms. Kanika Sharma, Ms. Juhi Dabra and Ms. Khushboo Gupta, actively participated in the CBSE Training of Trainers program. This insightful session aimed at enhancing pedagogical strategies and fostering professional development, reinforcing the school's commitment to academic excellence. Their participation in this training underscores a dedication to continuous learning, ensuring that innovative and effective teaching methodologies are seamlessly integrated into the school's educational framework for holistic student growth.

Shaping Education at Samvad

Our respected Principal, Ms. Anshu Mittal, had the honor of attending Samvad, an enlightening educational event organized by the Honourable Lt. Governor of Delhi, Sh. Vinai Kumar Saxena, at the Raj Niwas Lawns in December 2024. The event accentuated the collective vision for advancing education towards a brighter future. The education leaders engaged in thoughtful discussions on vital topics, including the effective implementation of NEP 2020, ensuring the safety and well-being of students in schools, and supporting the development of teachers.

Empowering With Active Learning

Education experts Mr. Saurabh Malhotra and Ms. Sanjaya Walia conducted a Capacity Building Programme on Active Learning Strategies for the teachers at MRG School. The session encouraged educators to challenge traditional teaching methods, emphasizing reflection and active engagement in the classroom. The workshop offered valuable insights, new perspectives and practical strategies to help teachers foster learning environments that promote self-exploration and collective development.

Chalkboard to Canopies

The WWF-One Planet Academy's Chalkboard to Canopies workshop empowered educators with innovative biodiversity teaching strategies. Attended by Ms. Khushboo Gupta and Ms. Pooja Goel, it featured hands-on ecosystem activities, species interdependence studies and a guided Lodhi Garden field trip. The workshop fostered environmental stewardship, inspiring educators to instill ecological responsibility in students.

NEP 2020

The National Education Policy (NEP) 2020 workshop, held at Sant Sujan Singh School, provided valuable insights into holistic education, multilingualism, critical thinking and technology integration. Attended by Ms. Shivani Khanna and Dr. Namrata Choudhary, the session emphasized competency-based assessments and innovative teaching strategies. The engaging discussions and hands-on approaches equipped educators with practical methods to enhance student learning in alignment with NEP 2020.

CS Gems- Super Teacher Program

MRG Teachers participated in the CS Gems-Super Teacher program at IIT Delhi, hosted by SuperTeacher EduReforms and QUARK25 BITS Pilani - Goa. This initiative focused on enhancing educators' expertise in programming, AI and data science while equipping them to design engaging, industry-relevant curricula. The program also fostered collaboration and knowledge-sharing among Computer Science educators, enriching the broader CS education community.

Capacity Building Program

Ms. Charu Tandon attended a workshop at Gursharan Convent School, offering in-depth training for educators on teaching strategies, board exam tips and question paper creation. The event provided a space for educators to collaborate on Economics education, develop engaging curriculum materials and gain insights on giving motivating feedback to enhance students' understanding of Economics.

Innovate. Elevate. Engage!

MRG's English teachers attended a workshop hosted by Headword ABP Education at Lancer's Convent School. The session focused on interactive and innovative teaching techniques designed for ELT classrooms. It featured in-depth discussions on diverse pedagogical strategies, complemented by practical examples and handouts, with a special emphasis on competency-based question design. The workshop proved to be highly insightful, providing valuable takeaways for enhancing everyday classroom instruction.

Honing Soft Skills

A soft skills and personality development workshop, led by Ms. Poonam Chand at MRG School's SPARK Centre, focused on effective communication across diverse environments. Attended by MRG teachers, the session emphasized teamwork and collaboration, time management techniques and strategies for developing emotional intelligence and managing conflicts with poise. These skills strengthened confidence and fostered a more professional demeanor.

PARENTS & STUDENTS

Holistic Parenting - Nurturing Minds, Building Bonds

MRG school hosted a special session for the students and parents of grades Nur-V on Holistic Parenting - Nurturing Minds, Building Bonds, led by Ms. Menka Prabhakar. The session highlighted the crucial role of parenting in supporting a child's development from an early age. Ms. Prabhakar also offered valuable insights on how parents can rephrase their statements to positively impact their child's growth. The workshop was highly interactive and engaging.

Unlock Your Future

Dr. Shruti Jain hosted a career guidance workshop for students in grades XI and XII, offering valuable knowledge and strategies to help them navigate their academic and professional journeys. The students had the chance to explore a range of career options and gained important industry insights. Additionally, they received guidance on shaping their future aspirations.

Shaping Tomorrow's Voters!

MRG's senior students actively participated in a CBSE webinar on Electoral Literacy, gaining valuable insights into informed voting and the democratic process. This enriching session empowered them to understand their role in shaping the nation's future, fostering responsible citizenship and awareness.

Exploring the Role of Physics in Everyday Life

On the occasion of Dr. APJ Abdul Kalam's birth anniversary, Grade VIII students from MRG participated in a dynamic Physics workshop that ignited innovation, inspired dreams and encouraged the pursuit of knowledge. Through engaging, hands-on experiments, students explored the significance of Physics in daily life, gaining a deeper understanding of its real-world applications.

Navigating Emerging Career Paths

An enriching workshop for Grades IX-XII was led by Major General Pramod Saighal (Retd.), former Head of Army Air Defence College. The session explored non-traditional career paths, focusing on emerging sectors and opportunities in the post-pandemic job landscape. Students gained valuable insights into industries that align with their interests, while learning the importance of personal growth, adaptability and resilience in navigating future career success. The workshop inspired students to consider diverse career options and stay open to evolving opportunities.

Career Fair

MRG School organized a highly engaging Career Fair, featuring representatives from over 15 renowned universities across India. Designed for students of Classes IX to XII, the event provided an exceptional opportunity to explore a wide array of career pathways. Students gained valuable insights into various academic fields, helping them align their interests and aspirations with future professional opportunities. The fair served as a crucial platform for guiding students in their academic and career journeys.

Empowering Young Minds: Strength Through Self-Defense

Girls from Grades VI-XII participated in an enriching self-defense training session at MRG School's atrium. They mastered fundamental techniques, improved coordination through drills and strengthened their confidence. The session also provided insight into Korean culture while equipping students with strategies to manage stress and anxiety in challenging situations. Engaging discussions on self-defense's significance fostered collaborative learning, reinforcing resilience and empowerment.

Shaping Future Choices

MRG School conducted a Stream Orientation workshop for students of Classes X-XII, led by Ms. Anjali Uppal and Ms. Rupali. The session aimed to empower students with informed decision-making skills by exploring diverse career pathways in Science, Commerce, Humanities and Vocational Education. Emphasizing personal interests and evolving market trends, the workshop provided valuable insights to help students navigate their academic and professional journeys effectively.

Aryan
Batch (2023-24)

The memories I made at MRG School are some of the most precious in my life. From classroom laughter to the thrill of competitions and the guidance of dedicated teachers, every moment is etched in my heart. This school didn't just educate me; it shaped my outlook on life. It taught me to dream big, work hard and always strive for excellence. The friendships formed here are priceless and the lessons learned continue to guide me. I am forever grateful for the enriching experiences and the strong foundation provided by MRG School.

Manya
Batch (2023-24)

MRG School was more than an institution—it was my second home. It taught me values like perseverance, respect and kindness, which have shaped my personality and choices. The dedication of the teachers and the support of peers made every experience worthwhile. From classroom lessons to cultural events, every moment was an opportunity to grow. Today, as I look back, I realize how instrumental the school was in laying the foundation for my personal and professional journey. I am thankful for the values and memories that will always stay with me.

Dhairya
Batch (2023-24)

MRG School holds a special place in my heart as the place where I discovered myself. The encouragement to explore, the freedom to question and the guidance to excel made my years here unforgettable. The school gave me the tools to not only succeed academically but also to grow as a person with integrity and resilience. I am grateful for the supportive teachers and the lifelong friends I made here. The values instilled during my time at MRG have been my guiding light and I will always carry the name of my school with pride and gratitude.

Mudit
Batch (2022-23)

My school days were filled with learning, laughter and life lessons. The emphasis on holistic development ensured that I grew academically, emotionally and socially. The supportive teachers and the sense of community made this school a second home. The memories of those years continue to inspire me to aim higher and work harder. I am forever grateful for the experiences and opportunities this school provided me.

Batch (2022-23)

Being a part of this school was a privilege that I will always cherish. The years spent here were not just about academics but about personal growth, teamwork and exploring new horizons. The dedication of the teachers and the vibrant school culture left an indelible mark on my life. Even today, I find myself using the skills and values I gained during my time here. This school will always hold a special place in my heart.

Pushpendra
Batch (2021-22)

Looking back, my school years were some of the best of my life. This institution not only prepared me for higher education but also instilled in me a sense of discipline and responsibility. The dedication of the teachers and the supportive environment made learning enjoyable. I still carry the values of teamwork and perseverance that I learned here. Every corner of the campus holds a memory that I will always treasure. I am proud to call myself an alumnus of this great school.

Surayansh
Batch (2021-22)

My time at this school was truly transformative. It wasn't just about academics; it was about discovering who I was and what I was capable of achieving. The teachers were more than educators—they were mentors who guided me at every step, always encouraging me to strive for excellence. I cherish the memories of sports days, cultural fests and endless discussions with my friends. The lessons I learned here, both inside and outside the classroom, have shaped my values and aspirations. Thank you for being the foundation of my success.

Vishal
Batch (2020-21)

This school was a second home for me. The guidance from teachers and the opportunities to participate in academics, sports and cultural activities helped me discover my potential. I will always cherish the support and encouragement I received here. Thank you for giving me the foundation to achieve my dreams.
